1 Letter IVO C 568-2 dated 25th Sept 1937 from the Dr of Health forwarding for Sanction an estimate amounting to Rs 12,000/- for Constructing Silk Pattern Drains in Arsikere town, the Cost of the Same being met by Govt and the Mcty in equal proportions

In the Sanctioned Budget estimates of the Arsikere town Mcty for the current year (1937-38) a Sum of Rs 6000/- has been provided under the "heading C- Public works (1) Original works" as the Mcl quota for the Drainage work of the town

The Dr of Health further states that The Mcty have requested for a govt grant of Rs 6000/- during the current year for the work in question

Though the estimate has been Countersigned by the Mcl President, the opinion of the D C Hassan, together with the resolution of the Mcl Cl is to how they will propose to meet the estimated Cost of the Scheme is perhaps necessary before Sanctioning the estimate If approved, the D C will be addressed in the matter Before Sanctioning a govt grant of a Sum of Rs 6000/- towards the Drainage Scheme, it is perhaps necessary also to ascertain the Considered Proposals from the Dr of Health regarding the Distribution

This may perhaps be done in the first instance
